Full-Stack web Development projects

CareerFoundry Bootcamp | Berlin, Germany

2022-2023

- Developed 5 Client-Side apps, including my portfolio website, from scratch.
- Expanded skills in developing static and dynamic responsive websites.
- Explored libraries and frameworks such as Bootstrap, React, React Native, Angular, and data visualization for a better user experience.
 - Examples of apps developed:
 - My-Flix: Movie app built with [React](#) and [Angular](#).
 - [Pokédex](#): Built using Bootstrap, external API, JS, and jQuery.
 - [Chat App](#): Mobile app developed with React Native.
 - [Meet Me There](#): Created with React.
- Followed PWA technology to build progressive web apps.
- Experience working with external APIs to integrate data and functionality into applications.
- Created a movie database using MongoDB and MongoShell.
 - Developed the T-Flix movie API.
- Utilized Google Firestore Database for storing chat app messages.
- Generated documentation for APIs:
 - Swagger for [T-Flix API](#) and TypeDoc for [MyFlix Angular](#).
- Defined and tested endpoints for CRUD operations.
- Deployed applications on various platforms: GitHub-Pages, Netlify, Fly.io, Heroku
- Experience in running applications on cloud servers, specifically AWS.
- Co-founded a volunteer [VPN project](#) providing free internet access to people in Iran since October 2022, managing server accounts and fundraising campaigns.

Work Experience

FREELANCE JOURNALIST

2014-2022

Online News Agencies | Iraq, Turkey, Germany

- [Notizie Geopolitiche](#): Covered political developments in Kurdistan, Iraq through reports and interviews.
- [Monthly Chosun](#), South Korea: Collaborated on a series about the Middle East to Europe "illegal migration".
- [Freelance works in Farsi websites](#): Covered political and social events in Iran, emphasizing ethnic suppression and gender discrimination.
 - Radiozamaneh / IranWire / Khodhevis

SOCIAL ASSISTANCE

2021 - Present

IB Transitional Housing | Berlin, Germany

- Established a Farsi-based Telegram group in Berlin for refugees and migrants, providing essential information, resources, and support.
- Offered free consulting to help migrant women access healthcare, paperwork, housing, and urgent aid services.
